03/2012 **Start of the BMW M Performance product range** for the BMW 1 Series (from 07/2011), BMW 3 Series (11/2011), BMW 5 Series (01/2010) and the BMW 6 Series (12/2010).

09/2012 **BMW M Performance Accessories**, for the first time, also available for the BMW 1 Series three-door and the BMW 3 Series.

03/2013 **The product portfolio expands** in four key areas: aerodynamics, chassis, drivetrain and cockpit.

02/2014 **BMW M Performance Parts** for the BMW 2 Series Coupe (from 03/2014), BMW 4 Series (02/2014) and the BMW X5 (02/2014).

THE CONSISTENT CHOICE FOR BREATHTAKING DYNAMICS.

For BMW, the 2013 DTM season marked the continuation of the sensational success of the 2012 comeback year. In the Constructors' Championship, BMW left the competition behind – further proof of a passion for racing that burns as bright as ever. It's a fascination that you too can share with BMW M Performance Parts. With authentic racing genes in your BMW, you will experience incomparable, breathtaking dynamics.

All BMW M Performance Parts are the result of many years of BMW racing expertise and have been developed with BMW M GmbH. Each component goes through an intense development and manufacturing process, so uncompromising sportiness is consistently realised every time – right down to the smallest detail. BMW M Performance Parts give your BMW individual racing character and, at the same time, even more compelling dynamics. They are the clear choice for the highest quality and sporty innovation, whether it's for aerodynamics, the chassis, the drivetrain or the cockpit. Give your BMW an exhilarating racing feel.

EMPHASISE A UNIQUELY SPORTING CHARACTER.

BMW M PERFORMANCE PARTS FOR THE BMW 1 SERIES.

1 + 5 BMW M Performance Aerodynamics package

For even better aerodynamic values, perfectly adapted to the BMW 1 Series. Includes air intakes, splitter and front bumper components, rear diffuser and blades for the side sills. A strong BMW M Performance Parts statement is also made by the accompanying trim for the side sills with M Performance lettering. The BMW M Aerodynamics package is required for this feature.

1 BMW M Performance front grille, black

1 BMW M Performance wing mirror caps, carbon

1 BMW M Performance top stripes

Over the bonnet, roof and rear, ensuring extremely sporty lines. Available in black and in white.

1 - 5 19" BMW M Performance light alloy wheels Double-spoke 405 M

The 19" light alloy wheels Double-spoke 405 M are Bicolour Orbit Grey, forged, burnished on the visible sides, and feature the four-colour M logo.

2 - 4 BMW M Performance 18" brake system

The 18" brake system ensures short stopping distances, even under high thermal loads, thanks to inner-vented, lightweight sport discs. The front features four-piston and the rear has two-piston aluminium fixed caliper brakes in M Performance Red, Yellow or Orange and with the four-colour M logo.

5 BMW M Performance rear spoiler

In black-painted plastic, this offers high stability, exceptional sportiness and a premium look.

5 BMW M Performance rear fins

For individually sporting appeal and, together with the BMW M Performance rear spoiler, an even more powerful look. Only in conjunction with BMW M Performance rear spoiler.

5 BMW M Performance exhaust system

For an impressively sporty sound – inside and out. In weather-resistant stainless steel and featuring tailpipe finishers in chrome. Available for 125i and M135i.

5 BMW M Performance side stripes

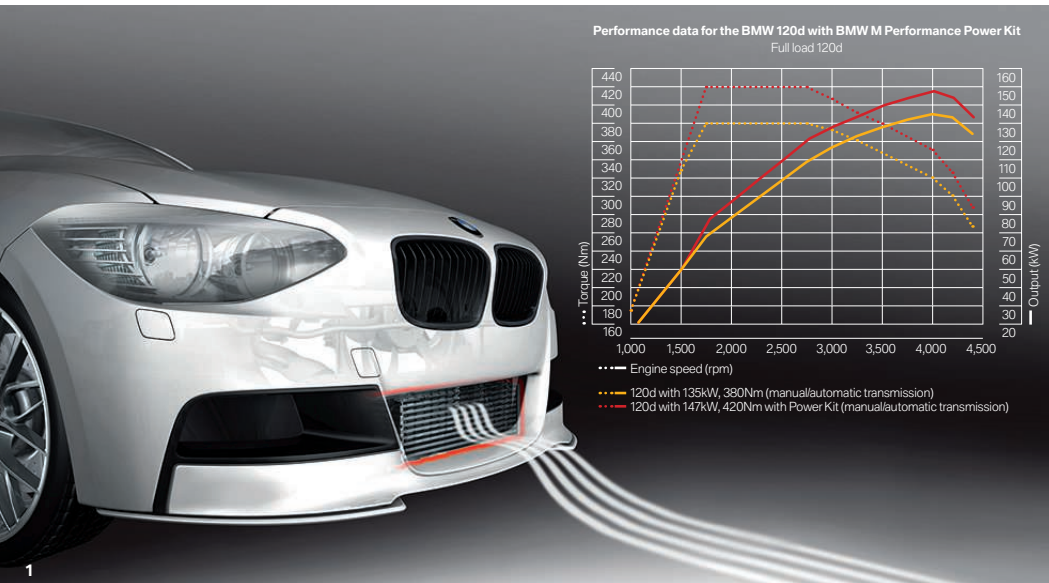

The BMW M Performance side stripes do more than just accentuate the contours of the BMW 1 Series. They also give the vehicle an even more dynamic and expressive appearance.

5 BMW M Performance Black Line rear lights

Brilliant aesthetics through a combination of dark red and black. The M Performance Black Line rear lights give the rear profile even more expressive character and an unmistakable appearance. An absolutely precise fit and perfectly matched to both the design and the electrical system. On vehicles with halogen headlights, the rear lights are replaced with LEDs.

5 BMW M Performance exhaust pipe finishers, chrome

Chrome trim for an appropriately sporty finish. With M logo. For 116d, 118d and 120d.

1 + 2 BMW M Performance Power Kit

The Power Kit for the 120d raises output, torque (147kW/420Nm) and sprinting power without any increase in fuel consumption in the standard cycle. Features include a larger intercooler and another control unit. The Power Kits are developed in accordance with the high standards of the BMW Group, including, in particular, long-term quality and safety tests. Also available for the 125i. The BMW M Performance Power Kit also includes M Performance lettering on the side sills (pic 2).

3 BMW M Performance differential lock

The mechanical differential lock on the rear axle transmits more torque to the wheel with better grip, thus minimising slip at the rear. The result is more stable cornering, optimal traction and more dynamic driving characteristics.

BMW M Performance chassis (not pictured)

Discover a unique driving experience in your BMW 1 Series. With this system, the shock absorbers, wishbones and stabilisers have all been extensively tested and then adapted to strict motorsport criteria. The result: agility that will never fail to amaze.

4 BMW M Performance Alcantara steering wheel with carbon trim and race display

A motor sport feel thanks to integrated race computer and dynamic BMW M Performance design. Display features the latest OLED technology, gearshift indicator and EfficientDynamics, Sport and Race modes. The steering wheel featuring open-pore carbon and Alcantara offers excellent grip in even extreme driving situations and is flattened at the bottom.

4 BMW M Performance carbon gear lever with Alcantara gaiter

Open-pore carbon fibre is again combined with Alcantara. The result is a new and even more direct gear-change feel. With M Performance branding in the gearshift graphic.

4 + 5 BMW M Performance carbon interior trim with Alcantara

Design highlights that can be seen and felt. Open-pore carbon fibre combined with Alcantara and embroidered with M Performance branding.

6 BMW M Performance Alcantara steering wheel with carbon trim

Alcantara-covered for exceptional grip in even extreme driving situations. Flattened at the bottom and with an open-pore carbon trim.

7 BMW M Performance gear lever trim in carbon

Exclusive carbon trim for authentic motor sport flavour. Featuring open-pore carbon and a satin finish – high tech you can see and feel.

7 BMW M Performance Alcantara and carbon trim for the centre console gear lever

The centre console trim convinces with its exclusive material combination. The carbon has an open-pored, tactile structure and the high-quality Alcantara emphasises the sporty look.

8 BMW M Performance stainless steel footrest/pedal covers

Stainless steel pedal covers. The optional M Performance footrest features precise workmanship and a purist, technical look.

8 BMW M Performance floor mats

With M Performance lettering. The dynamic design integrates perfectly with the pedal covers. Dirt and water-resistant.

1 + 5 BMW M Performance Aerodynamics package

For even better aerodynamic values, perfectly adapted to the BMW 2 Series. Includes front bumper components including splitter, rear spoiler and diffuser as well as blades for the side sills. A strong BMW M Performance Parts statement is also made by the accompanying trim for the side sills with M Performance lettering. The BMW M Aerodynamics package is required for this feature.

1 BMW M Performance carbon rear spoiler

The carbon rear spoiler ensures optimal aerodynamics values. It is hand-made and comprises 100 % carbon, an extremely exclusive material. Only available in conjunction with the BMW M Performance carbon front splitter.

1 BMW M Performance accent stripes

The accent stripes in black/silver emphasise the car's powerful contours even further. They also lend it a more athletic and expressive appearance.

1 19" BMW M Performance light alloy wheels Double-spoke 405 M

The 19" light alloy wheels Double-spoke 405 M are Bicolour Orbit Grey, forged, burnished on the visible sides, and feature the four-colour M logo.

1 BMW M Performance exhaust system

For an impressively sporty sound – inside and out. In weather-resistant stainless steel. Exhaust pipe finishers, depending on vehicle equipment, are also required.

2 19" BMW M Performance light alloy wheels Double-spoke 624 M

The 19" light alloy wheels Double-spoke 624 M are forged, milled and polished and feature the four-colour M logo.

3 BMW M Performance front grille, black

The black kidney grille emphasises the sporty and dynamic character of the vehicle. Also featuring a high-gloss black frame.

4 BMW M Performance wing mirror caps, carbon

The wing mirror caps in carbon are painstakingly crafted by hand. The visibly high-tech material is extremely light yet also sturdy and emphasises the vehicle's individuality and exclusivity.

6 BMW M Performance carbon interior trim with Alcantara

The carbon interior trim with Alcantara adds an attractive design accent. The five-part set combines sophisticated Alcantara with open-pored carbon. A four-colour M logo and BMW M Performance lettering emphasise sportiness.

6 BMW M Performance Alcantara steering wheel II with carbon trim

The Alcantara steering wheel II with carbon trim and a 373mm diameter features hand-stitched silver-grey cross-stitching and emphasises sportiness with a red centring strip in leather. The steering wheel trim with the M logo is constructed in open-pored carbon for individuality that can be both seen and felt.

6 BMW M Performance carbon gear lever with Alcantara gaiter

The carbon gear lever with Alcantara gaiter features silver-grey cross-stitching on the gaiter. The open-pored carbon and the M Performance lettering on the gear shift graphic create an exclusivity that can be both seen and felt.

GIVING LIFE TO THE SPORTING SPIRIT.

BMW M PERFORMANCE PARTS FOR THE BMW 2 SERIES.

THE ESSENCE OF ATHLETIC POWER.

BMW M PERFORMANCE PARTS FOR THE BMW 3 SERIES.

1 BMW M Performance Aerodynamics package
For even better aerodynamic values and perfectly adapted to the BMW 3 Series. Front bumper components include a splitter, rear spoiler and diffuser as well as blades for the side sills. A strong BMW M Performance Parts statement is also made by the trim for the side sills with M Performance lettering. The BMW M Aerodynamics package is required for this feature.

1 BMW M Performance front grille, black

1 BMW M Performance wing mirror caps, carbon

1 BMW M Performance top stripes
Over the bonnet, roof and rear, ensuring extremely sporty lines. Available in black and in white.

1 - 4 20" BMW M Performance light alloy wheels Double-spoke 405 M
The 20" light alloy wheels Double-spoke 405 M are in Bicolour Orbit Grey, forged, burnished on the visible sides, and feature the four-colour M logo. Also available in 18" matt Black complete winter wheels.

1 - 4 BMW M Performance 18" brake system
The 18" brake system ensures short stopping distances, even under high thermal loads, thanks to inner-vented, lightweight sport discs. The front features four-piston and the rear has two-piston aluminium fixed caliper brakes in M Performance Red, Yellow or Orange and with the four-colour M logo.

5 BMW M Performance stripes, front and rear
Featuring the three typical M colours, the stripes add powerful athleticism and extra motor sport character to the BMW 3 Series. The high-quality transfers are perfectly matched to the car's design.

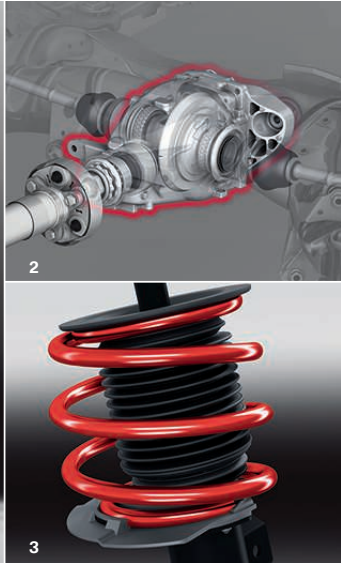

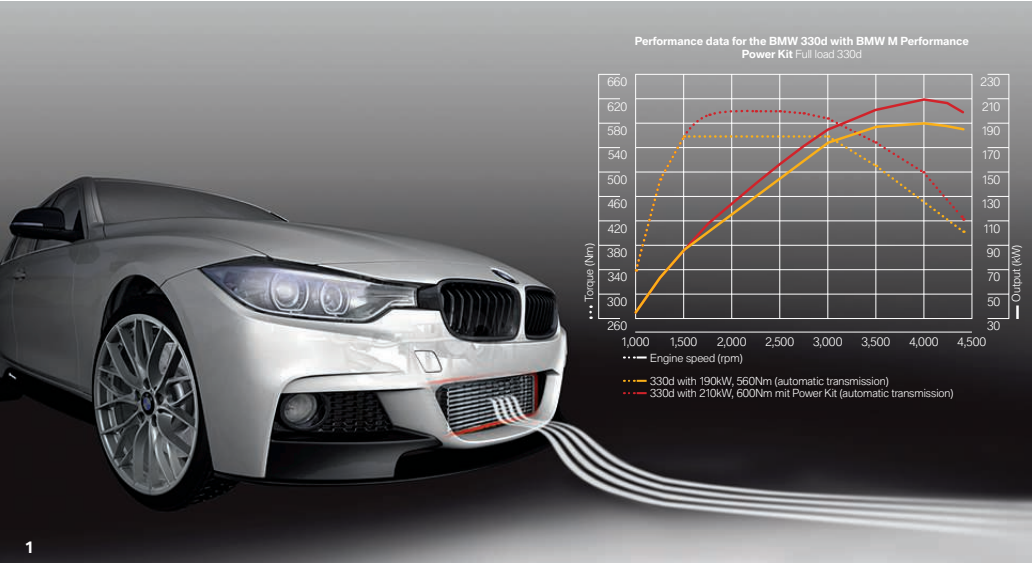

5 BMW M Performance exhaust system
For an impressively sporty sound – inside and out. In weather-resistant stainless steel. Exhaust pipe finishers, depending on vehicle equipment, are also required.

5 BMW M Performance exhaust pipe finishers, chrome
Chrome trim for an appropriately sporty finish. With M logo. For 316d, 318d and 320d.

6 BMW M Performance rear spoiler
For a powerful, sporty look. Available in two versions. Either in high-quality black plastic or as BMW M Performance carbon rear spoiler (pic 6). The latter is carefully hand-crafted from 100% carbon, weight-optimised and offers maximum stability.

7 BMW M Performance exhaust pipe finishers, carbon
The carbon trim emphasises the vehicle's individuality. The thermally decoupled tailpipe is of the highest quality and the engraved M logo further underscores the car's sporty character. Only available in conjunction with the BMW M Performance exhaust system.

1 BMW M Performance Power Kit

The Power Kit for the 330d raises output, torque (210kW/600Nm) and sprinting power without any increase in fuel consumption in the standard cycle. Features include a larger intercooler and another control unit. The Power Kits are developed in accordance with the high standards of the BMW Group, including, in particular, long-term quality and safety tests. Also available for the 320d and 335i.

2 BMW M Performance differential lock

The mechanical differential lock on the rear axle improves traction by transmitting more torque to the wheel with better grip, thus minimising slip. The result is more stable cornering, optimal traction and more dynamic driving characteristics.

3 BMW M Performance chassis

With the M Performance chassis, your BMW 3 Series experience becomes even more unique. The shock absorbers, wishbones and stabilisers have been extensively tested and coordinated using strict motorsport criteria. The result is even more dynamic driving that will amaze on every straight and every corner.

4 BMW M Performance carbon interior trim with Alcantara

Design highlights that can be seen and felt. Open-pore carbon-fibre combined with Alcantara and embroidered with M Performance branding.

4 BMW M Performance Alcantara steering wheel with carbon trim and race display

A motor sport feel thanks to integrated race computer and dynamic BMW M Performance design. Display features the latest OLED technology, gearshift indicator and EfficientDynamics, Sport and Race modes. The steering wheel featuring open-pore carbon and Alcantara offers excellent grip in even extreme driving situations and is flattened at the bottom.

4 BMW M Performance carbon gear lever with Alcantara gaiter

Open-pore carbon-fibre is again combined with Alcantara. The result is a new and even more direct gear-change feel. With M Performance branding in the gearshift graphic.

4 + 6 BMW M Performance carbon handbrake grip with Alcantara gaiter

A sporty aesthetic, combining open-pore carbon and Alcantara.

4 + 7 BMW M Performance stainless steel footrest/pedal covers

The stainless steel pedal covers and the stainless steel footrest are extremely carefully crafted for a perfect fit. The high-quality, glossy metal adds a puristic, high-tech appearance, accentuates sportiness and enhances the look of the footwell. Asymmetrical and three-dimensional rubber profiles on the pedals and footrest ensure excellent hold.

5 BMW M Performance Alcantara steering wheel with carbon trim

Alcantara-covered for exceptional grip in even extreme driving situations. Flattened at the bottom and with an open-pore carbon trim.

6 BMW M Performance Alcantara and carbon trim for the centre console gear lever

The Alcantara and carbon centre console gear lever impresses with its exclusive mix of materials. The carbon has an open-pored, tactile structure and the high-quality Alcantara emphasises the sporty look and feel.

6 BMW M Performance gear lever trim in carbon

Exclusive carbon trim for authentic motor sport flavour. Featuring open-pore carbon and a satin finish – high tech you can see and feel.

POWER AND AESTHETICS TAKE CENTRE STAGE.

BMW M PERFORMANCE PARTS FOR THE BMW 4 SERIES.

1 BMW M Performance Aerodynamics package

For even better aerodynamic values and perfectly adapted to the BMW 4 Series. Front bumper components include a splitter, rear spoiler and diffuser. A strong BMW M Performance Parts statement is also made by the trim for the side sills with M Performance lettering. The BMW M Aerodynamics package is required for this feature.

1 BMW M Performance exhaust system

For an impressively sporty sound – inside and out. In weather-resistant stainless steel. Exhaust pipe finishers, depending on vehicle equipment, are also required.

1 BMW M Performance carbon rear spoiler

The carbon rear spoiler ensures optimal aerodynamics values. It is hand-made and comprised of 100 % carbon fibre, an extremely exclusive material. Only available in conjunction with the BMW M Performance carbon front splitter.

1 20" BMW M Performance light alloy wheels Double-spoke 624 M

The 20" light alloy wheels Double-spoke 624 M are in Bicolour matt Black, forged and milled and feature the four-colour M logo.

1 - 4 BMW M Performance 18" brake system

The 18" brake system ensures fast deceleration even under high thermal stress thanks to ventilated lightweight sport brake discs. It features four-piston aluminium fixed-caliper brakes in front and two-piston aluminium fixed-caliper brakes in the rear, comes in M Performance Red, Yellow and Orange and features the four-colour M logo.

1 + 5 BMW M Performance accent stripes

With the stripes in black/red (pic 1) or black/silver (pic 5), the car's powerful contours are emphasised even further. They also lend a more athletic and expressive appearance.

2 - 5 20" BMW M Performance light alloy wheels Double-spoke 405 M

The 20" light alloy wheels Double-spoke 405 M are in Bicolour Orbit Grey, forged, burnished on the visible sides and feature the four-colour M logo.

5 BMW M Performance wing mirror caps, carbon

The wing mirror caps in carbon are painstakingly crafted by hand. The visibly high-tech material is extremely light yet also sturdy and emphasises the vehicle's individuality and exclusivity.

5 BMW M Performance front grille, black

The front grille emphasises the sporty and dynamic character of the vehicle. Also featuring a high-gloss black frame.

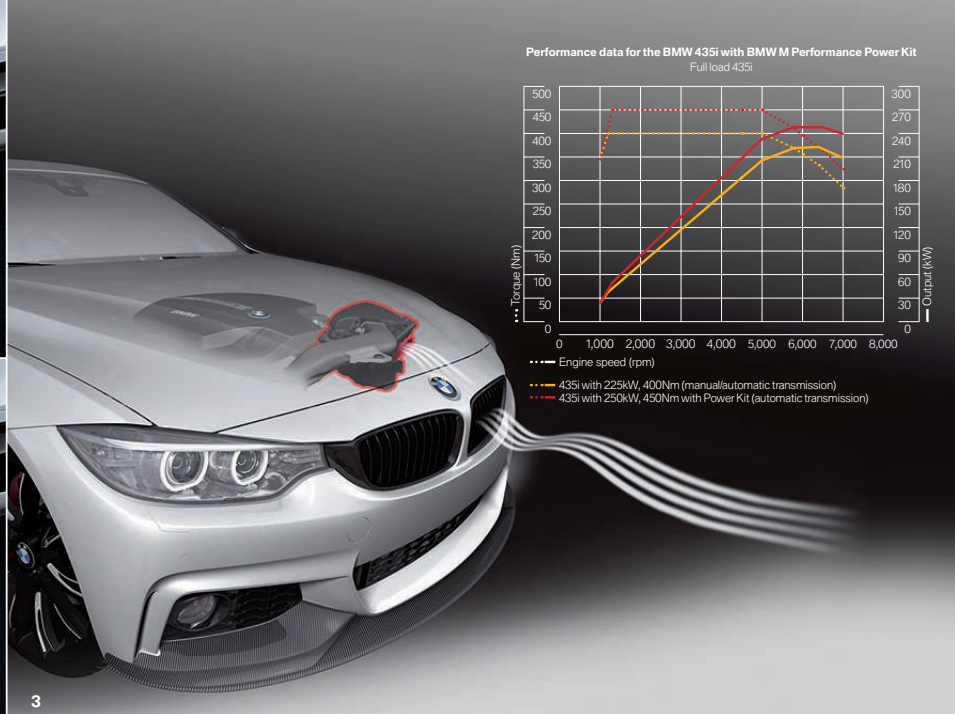

1 BMW M Performance exhaust pipe finishers, chrome

The chrome tailpipe trim with engraved M logo has a solid and powerful appearance. The inner cone and thermally decoupled tailpipe are indications of premium quality. Only available in conjunction with the BMW M Performance sport silencer.

2 BMW M Performance exhaust pipe finishers, carbon

The carbon trim emphasises the vehicle's individuality. The thermally decoupled tailpipe is of the highest quality

and the engraved M logo further underscores the car's sporty character. Only available in conjunction with the BMW M Performance exhaust system.

3 BMW M Performance Power Kit

The Power Kit for the 435i, using new engine data, raises output, torque (250kW/450Nm with the automatic transmission; 430Nm with the manual) and sprinting power without any increase in fuel consumption in the standard cycle. The Power Kits are developed in accordance with the high standards of the BMW Group,

including, in particular, long-term quality and safety tests. Also available for the 420d and 430d.

4 BMW M Performance Alcantara steering wheel II with carbon trim and race display

The Alcantara steering wheel II with carbon trim and race display has an integrated function display in the upper part of the rim. The newest OLED technology and two-colour LED displays enable the Race, Sport and EfficientDynamics modes to be operated via buttons integrated into the thumbrest area.

4 BMW M Performance carbon interior trim with Alcantara

The carbon interior trim with Alcantara adds an attractive design accent. A sophisticated combination of Alcantara and open-pored carbon. The four-colour M logo and the BMW M Performance lettering emphasise sportiness.

4 BMW M Performance gear lever trim in carbon

The carbon gear lever trim with the four-colour M logo underscores the motor sport genes. It is made in open-pored carbon and has a satin finish, creating high-tech quality that can be both seen and felt.

4 BMW M Performance Alcantara and carbon trim for the centre console gear lever

The Alcantara and carbon centre console gear lever impresses with its exclusive mix of materials. The carbon has an open-pored, tactile structure and the high-quality Alcantara emphasises the sporty look and feel.

4 BMW M Performance carbon handbrake grip with Alcantara gaiter

The carbon handbrake grip with Alcantara gaiter rounds out the vehicle's ensemble of open-pored carbon and Alcantara. The silver-grey cross-stitching on the Alcantara gaiter adds an attractive design accent.

4 BMW M Performance stainless steel footrest/pedal covers

The stainless steel pedal covers and the stainless steel footrest are extremely carefully crafted for a perfect fit. The high-quality, glossy metal adds a puristic, high-tech appearance, accentuates sportiness and enhances the look of the footwell. Asymmetrical and three-dimensional rubber profiles on the pedals and footrest ensure excellent hold.

FLAWLESS DYNAMICS – PURE EXPRESSION.

BMW M PERFORMANCE PARTS FOR THE BMW 5 SERIES.

1 BMW M Performance front grille, black

Frame and vertical slats in black. Underlines the elegant and dynamic character of the BMW 5 Series.

1 BMW M Performance wing mirror caps, carbon

Carefully hand-crafted. Sporty design adapted to the BMW 5 Series and with a high quality, high-tech feel.

1 - 3 20" BMW M Performance light alloy wheels V-spoke 464 M

Available in Bicolour Ferric Grey, burnished on the visible sides and in Liquid Black.

1 + 4 BMW M Performance front splitter, carbon

Sporty, high-quality and perfectly adapted to the vehicle design. Carefully hand-crafted from 100% carbon. Only in conjunction with the carbon rear spoiler.

1 + 6 BMW M Performance side skirt trim

Black trim application with M Performance lettering, optimally matched to the car's design.

5 BMW M Performance carbon rear spoiler

Sporty and elegant high-tech look. Carefully hand-crafted in 100 per cent carbon, weight-optimised and providing high stability.

5 BMW M Performance rear diffuser

Elegant dynamics that blend seamlessly with the design and specifically developed for the BMW 5 Series.

5 BMW M Performance exhaust system

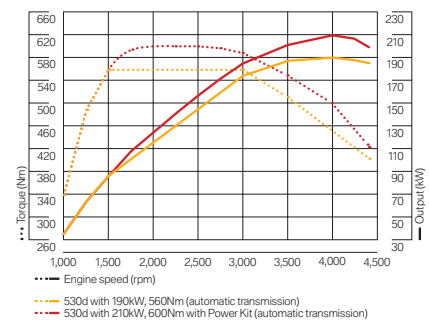

For an impressively sporty sound – inside and out. In weather-resistant stainless steel. Exhaust pipe finishers, depending on vehicle equipment, are also required.

7 BMW M Performance exhaust pipe finishers, chrome

Chrome trim for an appropriately sporty finish. With M Logo. For 535i and 535d.

1 Performance data for the BMW 530d with BMW M Performance Power Kit Full load 530d

1 + 2 BMW M Performance Power Kit

BMW M Performance Power kits further increase the already impressive performance of your BMW 5 Series thanks to perfectly matched software and hardware components. Peak engine torque varies according to the selected gear. Available for the 520d and 530d. Power Kits for the 530d feature an upgraded front-axle brake system. M Performance lettering for the side sills is included. Also available for the 535i.

3 BMW M Performance Alcantara steering wheel with carbon trim

Steering wheel finished in Alcantara for excellent grip. Also features a flattened lower section and painted carbon trim.

3 BMW M Performance gear lever trim in carbon

Exclusive carbon trim for authentic motor sport feel. Painted and polished to a deep, high gloss.

3 BMW M Performance carbon interior trim

Create exclusive sports car aesthetics and a fascinating three-dimensional effect with painted carbon. Includes M Performance lettering.

3 BMW M Performance stainless steel footrest/pedal covers

Stainless steel pedal covers. The M Performance footrest in a matching design is optional.

UNITED: AESTHETICS AND STRIKING SPORTINESS. BMW M PERFORMANCE PARTS FOR THE BMW 6 SERIES.

1 BMW M Performance front grille, black

Frame in black. Underlines the elegant and dynamic character of the BMW 6 Series.

1 BMW M Performance wing mirror caps, carbon

Sporty, high-quality look with high-tech character. Carefully hand-crafted.

1 + 2 20" BMW M Performance light alloy wheels V-spoke 464 M

Available in Bicolour Ferric Grey, burnished on the visible sides and in Liquid Black.

3 BMW M Performance exhaust system

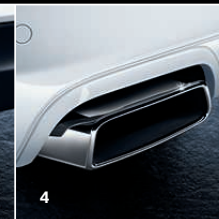

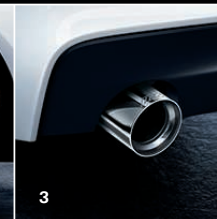

For an impressively sporty sound – inside and out. Exceptionally high quality exhaust system in stainless steel, with chromed tailpipes left and right for the 640i (pic 3). Featuring black chrome, trapezoid exhaust pipe finishers for the 650i without the M Aerodynamics package.

4 BMW M Performance exhaust pipe finishers, chrome

Chrome trim for an appropriately sporty finish. For 640i and 640d.

5 BMW M Performance Alcantara steering wheel II with carbon trim

The Alcantara steering wheel II with carbon trim and a 373mm diameter features hand-stitched silver-grey cross-stitching and emphasises sportiness with a red centring strip in leather. The steering wheel trim with the M logo is finished in lacquered, highly polished carbon fibre. For vehicles with the M Sport package or the M Sport steering wheel.

FOR A COMMANDING, SELF-ASSURED PRESENCE.

BMW M PERFORMANCE PARTS FOR THE BMW X5.

1 BMW M Performance front grille, black

The front grille emphasises the sporty and dynamic character of the vehicle. Also featuring a high-gloss black frame.

1 BMW M Performance wing mirror caps, carbon

The wing mirror caps in carbon are painstakingly crafted by hand. The visibly high-tech material is extremely light yet also sturdy and emphasises the vehicle's individuality and exclusivity.

1 BMW M Performance front splitter, carbon

The carbon front splitter emphasises the car's sporty design. Hand-made in 100% carbon. Only available in conjunction with the BMW M Sport package or the BMW M Aerodynamics package, as well as the BMW M Performance roof spoiler.

1 + 2 21" BMW M Performance light alloy wheels Double-spoke 599 M

The 21" light alloy wheels Double-spoke 599 M are in matt Bicolour Orbit Grey, burnished on the visible sides and feature the four-colour M logo.

3 + 5 21" BMW M Performance light alloy wheels Double-spoke 310 M

The 21" light alloy wheels Double-spoke 310 M are in Bicolour Ferric Grey, burnished on the visible sides and feature the four-colour M logo.

4 21" BMW Performance light alloy wheels Y-spoke 375

The 21" light alloy wheels Y-spoke 375 are in Bicolour Ferric Grey, burnished on the visible sides and feature BMW Performance lettering.

5 BMW M Performance rear flaps, carbon

The rear flaps enhance the impression of the car's width and its masculine appearance. Their visible side is made of exclusive carbon fibre. The underside is painted high-gloss Black. Only available in conjunction with the M Sport package or the M Performance Aerodynamics package.

5 BMW M Performance rear diffusor, carbon

The carbon rear diffuser is painstakingly constructed by hand. Weight-optimised, it also offers very high strength. Only available in conjunction with the M Sport package.

5 BMW M Performance exhaust system

The silencer system provides an impressive and sporty sound – both inside and outside of the vehicle. It is constructed from weather-resistant stainless steel. Depending on the vehicle's equipment, exhaust pipe finishers may be necessary.

BMW M Performance exhaust pipe finishers, chrome (not pictured)

The eight-cylinder-look chrome exhaust pipe finishers are constructed in chrome-plated stainless steel. Highly weather-resistant, they also give the vehicle an even stronger road-presence.

6 BMW M Performance Alcantara steering wheel with carbon trim

The Alcantara steering wheel with carbon trim and a 380mm diameter features hand-stitched silver-grey cross-stitching and emphasises sportiness with a red centring strip in leather. The steering wheel trim with the M logo is in lacquered, highly polished carbon. For vehicles with the M Sport package or the M Sport steering wheel.

7 BMW M Performance gear lever trim in carbon

Exclusive carbon trim for authentic motor sport feel. Painted and polished to a deep, high gloss.
